If one takes risks,

He is in the hot seat

If one speaks before the crowd,

Still, he is in the hot seat.

Being in the center of gossips,

Creates uneasiness in oneself;

But if he takes it as a motivation,

Then, he does valuable stuff for a reason.

Like in the world of interviewing,

Questions and answers are better than everything;

Interviewer asks various queries;

Interviewee showcases his thoughts in many ways.

Yes, he is in the hot seat,

But he knows how to carry like a master,

He weighs each decisions,

By responding to various questions.

Hot seat...hot seat...hot seat...

Everybody must take it,  
To measure one's propensity;  
Face the challenge all the way.

Questions vary in many ways,  
Depending on how it plays;  
Giving your all-out best,  
No plan to do it least.

In times of hesitation,  
Your mind works like a kid full of imagination,  
Just trust and have self-confidence,  
Believe me, you can slay as smart as Albert Einstein.

If one is cognizant of what one is doing,  
If one does things excellently,  
There's no valid conviction to say NO;  
Because all the things will depend unto you.

Deliver with confidence,  
Show off with reliance,  
As winner never quits;  
Despite the struggles in it.

Speak what is right,

Communicate what is upright,

Face-to-face is part of not being so tight;

Rather, do it until night.

If you will be in the hot seat,

Think of what you can do,

Embrace and show it;

By not doing what it is not supposed to do.

Being in the hot seat doesn't mean you are grilled,

It's just a testament to a good mindset.

Being worried is alright;

But mental toughness should not be set aside.

If you think you're uncertain with your answer,

Be composed and don't give a damn;

Show that you are more than eager;

Face them and stay calm.

The magic of passing the interview,

Constitute one's character and capability

It has never been easy, but it is not new.

As coolness with an array of knowledge is something already.

Stay optimistic,

Be realistic;

Don't mind what other people say;

Go for it, coz God will lead your way.
