Yes, life is uncertain,  
Sometimes your goal you attain,  
At times it's hard to maintain,  
So keep faith — let steadiness obtain.

However, life is exciting,  
You may not have everything,  
Yet give from your heart something,  
And often you'll receive a thing.

But, life is short,  
Spend it with your cohort,  
Learn to give — offer your apport,  
Small deeds endure of every sort.

Indeed, life is beautiful,  
Count blessings, be thankful,  
Hold gratitude, stay grateful —  
Your days grow rich and meaningful.

So, enjoy your life; refuse all strife.  
Be grateful and kind; keep peace in mind.  
Avoid debates that waste your time;  
Don't live by society's narrow rhyme.
